were observed

25X1 7. 25X1 25X1	Delpzig: Heiterblick Barracks. Ventiles Behind the barracks on 15 Feb 54:
25X1 8. 25X1 25X1	Schonau Barracks. Vehicles personnel
9 . 25X1	East Berlin. On 25 Feb 54, a column of 15 Soviet trucks pulling 50 mm guns passed through Wendenschlossstrasse towards Wendenschloss. There were also two ambulances two field kitchens and several jeeps in the column, which was followed by four Stalin I tanks.
25X1 25X6 10. 25X1	Dresden. A freight train loaded with Soviet trucks, guns, ambulances and personnel cars was observed standing in the Neustadt station at Dresden on 26 Feb 54. The train probably came from the Soviet Union. It

- 11. Dresden, Königsbrückerstrasse. An engineer unit of about 200 men with construction equipment and about 30 vehicles arrived on 28 Feb 54. No other changes have been observed.
- 12. Riesa. Soviet parachute troops carried out exercises near the Ribe, between Strahla and Riesa, on 1 Mar 54. The men jumped from a height of about 250 meters from two-engined planes in continuous flight. About 180 men in all jumped. They were followed by the dropping of equipment, apparently machine guns and mortars. The exercises were continued until dark.
- 13. Zeitz. About 30 Soviet tanks and 12 trucks drawing 85 mm guns arrived at the Zeitz freight railway station on 27 Peb 54, coming from the direction of Generalitz. Twelve T-34 tanks were observed on 2 Mar 54 proceeding towards Langemberg. The tank crews returned to Zeitz in trucks.
- 14. Rostock. Eight officers of the Soviet port administration have gone back to the Soviet Union with their families. No new officers have arrived in their places. On 26 Feb 54, twenty-two Stalin I tanks were seen coming from the direction of Ribnitz towards Bad Doberab. The tanks showed no numbers, only a white circle about 7 cm in diameter under the driver's cab. The tanks were followed by six trucks. Three of the trucks had "Stalin organs" mounted on them; the other three were loaded with cases of ammunition. The trucks also had white circles on them and parried the

15. Schwerin. The following buildings in Schwerin are occupied at present by Soviet troops: the former infantry barracks in Werderstrasse, the barracks in Ludwigsluster-trasse, the barracks in Rudolf Breitscheidtstrasse, the former Marstall Barracks in Strasse, the barracks in Rudolf Breitscheidtstrasse, the former Marstall Barracks in Werderstrasse, and the hospital at Goethestrasse 74. Werderstrasse, the former artillery barracks, and the hospital at Goethestrasse, Herzogring, Also private dwellings in Werderstrasse, Cācilienallee, Schliemannstrasse, Herzogring, and at Püsserkrug near the Püsserkrug Barracks. These barracks have also been occupied for about the last two weeks. The army bakery is in Lübeckerstrasse. The army magazine is at the corner of Schmiede and Schusterstrasse.
